

Department of Veterans Affairs

§ 36.4803

surviving spouse, issued by the Secretary, shall be a condition precedent to the guaranty or insurance of any loan made to a surviving spouse in such capacity.

(Authority: 38 U.S.C. 3701(a))

(2) An unmarried surviving spouse who was a co-obligor under an existing VA guaranteed, insured or direct loan shall be considered to be a veteran eligible for an interest rate reduction refinancing loan pursuant to 38 U.S.C. 3710(a)(8) or (9)(B)(i).

(Authority: 38 U.S.C. 3710(e)(3), 3703(c)(1))

§ 36.4803 Reporting requirements.

(a) With respect to loans automatically guaranteed under 38 U.S.C. 3703(a)(1), evidence of the guaranty will be issuable to a lender of a class described under 38 U.S.C. 3702(d) if the loan is reported to the Secretary not later than 60 days following full disbursement and upon the certification of the lender that:

(1) No default exists thereunder that has continued for more than 30 days;

(2) Except for acquisition and improvement loans as defined in § 36.4801, any construction, repairs, alterations, or improvements effected subsequent to the appraisal of reasonable value, and paid for out of the proceeds of the loan, which have not been inspected and approved upon completion by a compliance inspector designated by the Secretary, have been completed properly in full accordance with the plans and specifications upon which the original appraisal was based; and any deviations or changes of identity in said property have been approved as required in § 36.4804 concerning guaranty or insurance of loans to veterans;

(3) The loan conforms otherwise with the applicable provisions of 38 U.S.C. chapter 37 and of the regulations concerning guaranty or insurance of loans to veterans.

(Authority: 38 U.S.C. 3703(c)(1))

(b) Loans made pursuant to 38 U.S.C. 3703(a), although not entitled to automatic insurance thereunder, may, when made by a lender of a class described in 38 U.S.C. 3702(d)(1), be re-

ported for issuance of an insurance credit.

(Authority: 38 U.S.C. 3702(d), 3703(a)(2))

(c) Each loan proposed to be made to an eligible veteran by a lender not within a class described in 38 U.S.C. 3702(d) shall be submitted to the Secretary for approval prior to closing. Lenders described in 38 U.S.C. 3702(d) shall have the optional right to submit any loan for such prior approval. The Secretary, upon determining any loan so submitted to be eligible for a guaranty, or for insurance, will issue a certificate of commitment with respect thereto.

(d) A certificate of commitment shall entitle the holder to the issuance of the evidence of guaranty or insurance upon the ultimate actual payment of the full proceeds of the loan for the purposes described in the original report and upon the submission within 60 days thereafter of a supplemental report showing that fact and:

(1) The identity of any property purchased therewith,

(2) That all property purchased or acquired with the proceeds of the loan has been encumbered as required by the regulations concerning guaranty or insurance of loans to veterans,

(3) Except for acquisition and improvement loans as defined in § 36.4801(c), any construction, repairs, alterations, or improvements paid for out of the proceeds of the loan, which have not been inspected and approved subsequent to completion by a compliance inspector designated by the Secretary, have been completed properly in full accordance with the plans and specifications upon which the original appraisal was based; and that any deviations or changes of identity in said property have been approved as required by § 36.4804, and

(4) That the loan conforms otherwise with the applicable provisions of 38 U.S.C. chapter 37 and the regulations concerning guaranty or insurance of loans to veterans.

(Authority: 38 U.S.C. 3703(c)(1))

(e) Upon the failure of the lender to report in accordance with the provisions of paragraph (d) of this section, the certificate of commitment shall

have no further effect, or the amount of guaranty or insurance shall be reduced pro rata, as may be appropriate under the facts of the case: *Provided*, nevertheless, that if the loan otherwise meets the requirements of this section, said certificate of commitment may be given effect by the Secretary, notwithstanding the report is received after the date otherwise required.

(f) For loans not reported within 60 days, evidence of guaranty will be issued only if the loan report is accompanied by a statement signed by a corporate officer of the lending institution which explains why the loan was reported late. The statement must identify the case or cases in issue and must set forth the specific reason or reasons why the loan was not submitted on time. Upon receipt of such a statement evidence of guaranty will be issued. A pattern of late reporting and the reasons therefore will be considered by VA in taking action under § 36.4853.

(g) Evidence of a guaranty will be issued by the Secretary by appropriate endorsement on the note or other instrument evidencing the obligation, or by a separate certificate at the option of the lender. Notice of credit to an insurance account will be given to the lender. Unused certificates of eligibility issued prior to March 1, 1946, are void. No certificate of commitment shall be issued and no loan shall be guaranteed or insured unless the lender, the veteran, and the loan are shown to be eligible. Evidence of guaranty or insurance will not be issued on any loan for the purchase or construction of residential property unless the veteran, or the veteran's spouse in the case of a veteran who cannot occupy the property because of active duty status with the Armed Forces, certifies in such form as the Secretary shall prescribe that the veteran, or spouse of the active duty veteran, intends to occupy the property as his or her home. Guaranty or insurance evidence will not be issued on any loan for the alteration, improvement, or repair of any residential property or on a refinancing loan unless the veteran, or spouse of an active duty servicemember, certifies that he or she presently occupies the property as his or her home. An exception to this is if the home improvement

or refinancing loan is for extensive changes to the property that will prevent the veteran or the spouse of the active duty veteran from occupying the property while the work is being completed. In such a case the veteran or spouse of the active duty veteran must certify that he or she intends to occupy or reoccupy the property as his or her home upon completion of the substantial improvements or repairs. All of the mentioned certifications must take place at the time of loan application and closing except in the case of loans automatically guaranteed, in which case veterans or, in the case of an active duty veteran, the veteran's spouse shall make the required certification only at the time the loan is closed.

(Authority: 38 U.S.C. 3704(c))

(h) Subject to compliance with the regulations concerning guaranty or insurance of loans to veterans, the certificate of guaranty or the evidence of insurance credit will be issuable within the available entitlement of the veteran on the basis of the loan stated in the final loan report or certification of loan disbursement, except for refinancing loans for interest rate reductions. The available entitlement of a veteran will be determined by the Secretary as of the date of receipt of an application for guaranty or insurance of a loan or of a loan report. Such date of receipt shall be the date the application or loan report is date-stamped into VA. Eligibility derived from the most recent period of service:

(1) Shall cancel any unused entitlement derived from any earlier period of service, and

(2) Shall be reduced by the amount by which entitlement from service during any earlier period has been used to obtain a direct, guaranteed, or insured loan:

(i) On property which the veteran owns at the time of application, or

(ii) As to which the Secretary has incurred actual liability or loss, unless in the event of loss or the incurrence and payment of such liability by the Secretary, the resulting indebtedness of the veteran to the United States has been paid in full. *Provided*, that if the Secretary issues or has issued a certificate of commitment covering the loan

Department of Veterans Affairs

§ 36.4803

described in the application for guaranty or insurance or in the loan report, the amount and percentage of guaranty or the amount of the insurance credit contemplated by the certificate of commitment shall not be subject to reduction if the loan has been or is closed on a date that is not later than the expiration date of the certificate of commitment, notwithstanding that the Secretary in the meantime and prior to the issuance of the evidence of guaranty or insurance shall have incurred actual liability or loss on a direct, guaranteed, or insured loan previously obtained by the borrower. For the purposes of this paragraph, the Secretary will be deemed to have incurred actual loss on a guaranteed or insured loan if the Secretary has paid a guaranty or insurance claim thereon and the veteran's resultant indebtedness to the Government has not been paid in full, and to have incurred actual liability on a guaranteed or insured loan if the Secretary is in receipt of a claim on the guaranty or insurance or is in receipt of a notice of default. In the case of a direct loan, the Secretary will be deemed to have incurred an actual loss if the loan is in default. A loan, the proceeds of which are to be disbursed progressively or at intervals, will be deemed to have been closed for the purposes of this paragraph if the loan has been completed in all respects excepting the actual "payout" of the entire loan proceeds.

(Authority: 38 U.S.C. 3702(a), 3710(c))

(i) Any amounts that are disbursed for an ineligible purpose shall be excluded in computing the amount of guaranty or insurance credit.

(j) Notwithstanding the lender has erroneously, but without intent to misrepresent, made certification with respect to paragraph (a)(1) of this section, the guaranty or insurance will become effective upon the curing of such default and its continuing current for a period of not less than 60 days thereafter. For the purpose of this paragraph a loan will be deemed current so long as the installment is received within 30 days after its due date.

(k) No guaranty or insurance commitment or evidence of guaranty or in-

surance will be issuable in respect to any loan to finance a contract that:

(1) Is for the purchase, construction, repair, alteration, or improvement of a dwelling or farm residence;

(2) Is dated on or after June 4, 1969;

(3) Provides for a purchase price or cost to the veteran in excess of the reasonable value established by the Secretary; and

(4) Was signed by the veteran prior to the veteran's receipt of notice of such reasonable value; unless such contract includes, or is amended to include, a provision that reads substantially as follows:

It is expressly agreed that, notwithstanding any other provisions of this contract, the purchaser shall not incur any penalty by forfeiture of earnest money or otherwise be obligated to complete the purchase of the property described herein, if the contract purchase price or cost exceeds the reasonable value of the property established by the Department of Veterans Affairs. The purchaser shall, however, have the privilege and option of proceeding with the consummation of this contract without regard to the amount of the reasonable value established by the Department of Veterans Affairs.

(Authority: 38 U.S.C. 501, 3703(c)(1))

(1) With respect to any loan for which a commitment was made on or after March 1, 1988, the Secretary must be notified whenever the holder receives knowledge of disposition of the residential property securing a VA-guaranteed loan.

(1) If the seller applies for prior approval of the assumption of the loan, then:

(i) A holder (or its authorized servicing agent) who is an automatic lender must examine the creditworthiness of the purchaser and determine compliance with the provisions of 38 U.S.C. 3714. The creditworthiness review must be performed by the party that has automatic authority. If both the holder and its servicing agent are automatic lenders, then they must decide between themselves which one will make the determination of creditworthiness, whether the loan is current and whether there is a contractual obligation to assume the loan, as required by 38 U.S.C. 3714. If the actual loan holder does not have automatic authority and its servicing agent is an automatic

lender, then the servicing agent must make the determinations required by 38 U.S.C. 3714 on behalf of the holder. The actual holder will remain ultimately responsible for any failure of its servicing agent to comply with the applicable law and VA regulations.

(A) If the assumption is approved and the transfer of the security is completed, then the notice required by this paragraph (1) shall consist of the credit package (unless previously provided in accordance with paragraph (1)(1)(i)(B) of this section) and a copy of the executed deed and/or assumption agreement as required by VA office of jurisdiction. The notice shall be submitted to the Department with the VA receipt for the funding fee provided for in § 36.4813(e)(2).

(B) If the application for assumption is disapproved, the holder shall notify the seller and the purchaser that the decision may be appealed to the VA office of jurisdiction within 30 days. The holder shall make available to that VA office all items used by the holder in making the holder's decision in case the decision is appealed to VA. If the application remains disapproved after 60 days (to allow time for appeal to and review by VA), then the holder must refund \$50 of any fee previously collected under the provisions of § 36.4813(d)(8). If the application is subsequently approved and the sale is completed, then the holder (or its authorized servicing agent) shall provide the notice described in paragraph (1)(1)(i)(A) of this section.

(C) In performing the requirements of paragraphs (1)(1)(i)(A) or (1)(1)(i)(B) of this section, the holder must complete its examination of the creditworthiness of the prospective purchaser and advise the seller no later than 45 days after the date of receipt by the holder of a complete application package for the approval of the assumption. The 45-day period may be extended by an interval not to exceed the time caused by delays in processing of the application that are documented as beyond the control of the holder, such as employers or depositories not responding to requests for verifications, which were timely forwarded, or follow-ups on those requests.

(ii) If neither the holder nor its authorized servicing agent is an automatic lender, the notice to VA shall include:

(A) Advice regarding whether the loan is current or in default;

(B) A copy of the purchase contract; and

(C) A complete credit package developed by the holder which the Secretary may use for determining the creditworthiness of the purchaser.

(D) The notice and documents required by this section must be submitted to the VA office of jurisdiction no later than 35 days after the date of receipt by the holder of a complete application package for the approval of the assumption, subject to the same extensions as provided in paragraph (1)(1)(i) of this section. If the assumption is not automatically approved by the holder or its authorized agent, pursuant to the automatic authority provisions, \$50 of any fee collected in accordance with § 36.4813(d)(8) must be refunded. If the Department of Veterans Affairs does not approve the assumption, the holder will be notified and an additional \$50 of any fee collected under § 36.4813(d)(8) must be refunded following the expiration of the 30-day appeal period set out in paragraph (1)(1)(i)(B) of this section. If such an appeal is made to the Department of Veterans Affairs, then the review will be conducted at the Department of Veterans Affairs office of jurisdiction by an individual who was not involved in the original disapproval decision. If the application for assumption is approved and the transfer of security is completed, then the holder (or its authorized servicing agent) shall provide the notice required in paragraph (1)(1)(i)(A) of this section.

(2) If the seller fails to notify the holder before disposing of property securing the loan, the holder shall notify the Secretary within 60 days after learning of the transfer. Such notice shall advise whether or not the holder intends to exercise its option to immediately accelerate the loan and whether or not an opportunity will be extended to the transferor and transferee to apply for retroactive approval of the

(The Office of Management and Budget has approved the information collection requirements in this section under control number 2900-0516.)

§ 36.4804 Deviations; changes of identity.

A deviation of more than 5 percent between the estimates upon which a certificate of commitment has been issued and the report of final payment of the proceeds of the loan, or a change in the identity of the property upon which the original appraisal was based, will invalidate the certificate of commitment unless such deviation or change be approved by the Secretary. Any deviation in excess of 5 percent or change in the identity of the property upon which the original appraisal was based must be supported by a new or supplemental appraisal of reasonable value: Provided, That substitution of materials of equal or better quality and value approved by the veteran and the designated appraiser shall not be deemed a "change in the identity of the property" within the purview of this section. A deviation not in excess of 5 percent will not require the prior approval of the Secretary.

(Authority: 38 U.S.C. 3703(c)(1))

§ 36.4805 Partial disbursement.

In cases where intervening circumstances make it impracticable to complete the actual paying out of the loan originally proposed, or justify the lender in declining to make further disbursements on a construction loan, evidence of guaranty or of insurance of the loan or the proper pro rata part thereof will be issuable if the loan is otherwise eligible for automatic guaranty or a certificate of commitment was issued thereon: Provided,

(a) A report of the loan is submitted to the Secretary within a reasonable time subsequent to the last disbursement, but in no event more than 90 days thereafter, unless report of the facts and circumstances is made and an extension of time obtained from the Secretary.

(b) There has been no default on the loan, except that the existence of a default shall not preclude issuance of a guaranty certificate or insurance advice if a certificate of commitment was issued with respect to the loan.

(c) The Secretary determines that a person of reasonable prudence similarly situated would not make further disbursements in the situation presented.

(d) There has been full compliance with the provisions of 38 U.S.C. chapter 37 and of the applicable regulations up to the time of the last disbursement.

(e) In the case of a construction loan when the construction is not fully completed, the amount and percentage of the guaranty and the amount of the loan for the purposes of insurance or accounting to the Secretary shall be based upon such portion of the amount disbursed out of the proceeds of the loan which, when added to any other payments made by or on behalf of the veteran to the builder or the contractor, does not exceed 80 percent of the value of that portion of the construction performed (basing value on the contract price) plus the sum, if any, disbursed by the lender out of the proceeds of the loan for the land on which the construction is situated: And provided further, That the lender shall certify as follows:

(1) Any amount advanced for land is protected by title or lien as provided in the regulations concerning guaranty or insurance of loans to veterans; and

(2) No enforceable liens, for any work done or material furnished for that part of the construction completed and for which payment has been made out of the proceeds of the loan, exist or can come into existence.

(Authority: 38 U.S.C. 3703(c)(1) and (d))

§ 36.4806 Refinancing of mortgage or other lien indebtedness.

(a) Any loan for the purpose of refinancing (38 U.S.C. 3710(a)(5)) an existing mortgage loan or other indebtedness secured by a lien of record on a dwelling or farm residence owned and occupied or to be reoccupied if the refinancing loan is for the completion of major alterations, repairs or improvements to the property, by an eligible veteran as the veteran's home, or in
